

All designs are available in white or yellow gold.

All designs are available using white, black or golden South Sea pearls, prices available upon request.

Colours of pearls will vary due to availability.

All Lust™ jewellery pieces are unique, due to the design, colour, size, shape of pearl, quantity and placement of diamonds. Each piece is given its own unique identification number and authenticity card for your reference.

All pearls are of natural colour and lustre.

All diamond placement is hand crafted. Diamonds are available in natural or enhanced colours.

Please visit our website to view further designs and information.

The Lust™ collection symbolises the ultimate synergy of

South Sea magic, Australian ideology and an insatiable

quest for perfection. Like those they shall adorn, each piece

is a celebration of nature, unique and of impeccable quality.
